

ELT Concise Catalogue 2023

For Greece & Cyprus

**Learn, share,
inspire.**

mmpublications specialises in
**English Language Teaching (ELT) books and
e-learning materials.**

Since our first steps in 1974, we have been committed to **excellence in education**, an idea which we continuously uphold through our innovative content and high-quality educational services.

Our books and materials explicitly demonstrate how English is used in real-life situations. They enable learners to communicate with people from different locations and cultural backgrounds fluently, accurately and confidently.

Our team is committed to the design of an **ideal educational experience**. We offer continuous customer support in the form of online learning and testing solutions, in-service teacher training, syllabus design and customised materials creation.

Our portfolio consists of best-selling titles around the world, ranging from Asia, the Middle East and Africa to Europe and the Americas. In close collaboration with Ministries of Education, we have also produced special editions of our series in compliance with local standards and specifications.

Our slogan, “Learn, Share, Inspire” constitutes the keystone of our endeavours. We are committed to the provision of quality ELT materials and services of lasting value.

spreading knowledge

MM Publications is the core of a bigger family...

MM Educational Group is a content creator with a global presence that delivers complete educational solutions. It consists of seven distinct companies that collectively develop content and provide educational materials and services in four subject areas:

English Language Teaching (ELT), Computing and ICT, Maths and Science.

MM Educational Group is committed to **spreading knowledge** – a mission which it continuously attains through the provision of localised educational solutions with global standards. Since its foundation in 1974, MM Educational Group has achieved an ever-growing global presence. With offices in 7 countries and distributors in more than 110 countries, its materials and services are now available on every continent. It has published tens of coursebook series, thousands of components, and a wide range of e-learning solutions. In collaboration with ministries, universities, schools, and publishers around the world, it has released hundreds of special editions.

Designed with a proven pedagogy that appeals to every learning style and developed with captivating and beautifully-illustrated content, our courses make learning fun and teaching a delight.

Digital Resources

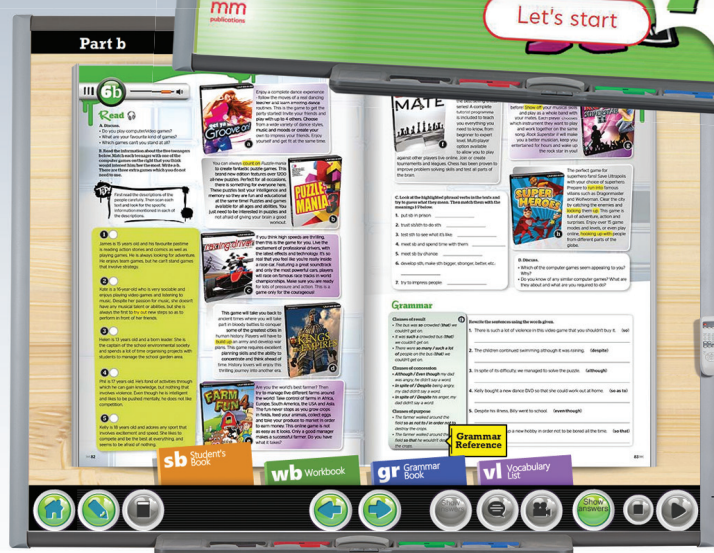

Interactive Whiteboard Material

Available for all of our coursebooks!

Engage your students and make your lesson come to life with our interactive whiteboard material!

Enhance your delivery with:

- An interactive version of the Student's Book, Workbook and Grammar Book
- Games
- Videos and video activities
- A digital vocabulary list

Extra videos included in the IWB material

The Interactive Whiteboard Material contains extra videos and activities that supplement our coursebooks. These have been specifically designed to match the learners' ages and interests.

ELT Skills

binarylogic

*Practise your English
anywhere, anytime!*

Includes

interactive graded readers

Blended learning in action!

ELT Skills is the ideal companion for the English language learner and a valuable supplement to any English language teaching course.

It covers all the essential areas of foreign language acquisition: reading, listening, speaking, writing, grammar, vocabulary and pronunciation.

Binary Logic is an associated company of MM Publications, but it operates its own independent distribution network. In certain countries the network of MM Publications is used to distribute Binary Logic products.

BINARY
ELTSKILLS

ELT school

DIGITAL MATERIAL FOR CLASS

ELT School is a Learning Management System that offers a blended mode of learning and teaching English all in one place.

This easy-to-use digital platform expands, enhances and deepens the students' understanding of the English language, while supporting, monitoring and recording their progress.

MM Online Placement Test

The MM Online Placement Test is a unique means of determining students' level of proficiency in the English language, and placing them at the appropriate level, from Beginner (pre-A1) to Advanced (C1). Apart from being reliable, straightforward, and easy to take, the MM Online Placement Test is a particularly effective tool for placing students, as it tests not only grammar and vocabulary, but also listening, reading, and communication skills.

Students can visit our website www.mmpublications.gr (Student's Area), take the test and have their level determined automatically according to their score.

KEY FEATURES

- The MM Online Placement Test consists of three parts which are available in British and American English.
- The test places students, depending on their scores, at a level ranging from Elementary (A1) to Advanced (C1).
- Students receive their placement results by email.
